

Woolwich Swim Team practices have been modified to accommodate COVID-19 safety procedures to allow everyone to swim in a safe manner. Please review this information prior to your first practice.

## **Vaccination Policy**

- The Woolwich Swim Team is committed to protecting the health and safety of all our participants and will be requiring that all participants born in 2009 or earlier be fully vaccinated for COVID-19 by October 31, 2021. [Visit our website for more information.](#)
- Further instructions will be provided before we begin checking vaccination status at the end of October.

## **Attendance & Health Screening**

- All Woolwich Swim Team participants must complete the online [Ontario Government COVID screening for schools and child care](#) the day of swim practice. **Only attend practice if you get the 'Green Check'.**
- Attendance will be taken at each practice. It is **NOT** necessary to inform us if a swimmer will miss practice.

## **What To Expect At Practice**

- Swimmers should arrive 10 minutes before their practice time.
- Swimmers should arrive wearing their swim suits.
- **Swimmers will enter and exit the Woolwich Memorial Centre (WMC) through the main front doors.**
- Hand sanitizer will be provided at the entrance and must be used prior to entering the facility.
- All swimmers must wear a face covering when in the WMC unless instructed by a coach to remove it before entering the pool.
- After entering the WMC, go directly to the pool change rooms. Swimmers may use either the gender or family change room.
- Outer clothes will be removed and placed in a bag that can be stored on the pool deck. **Bring a bag big enough to hold outer jackets and shoes/boots.**
- There are no lockers available at this time.
- Swimmers must shower before entering the pool deck.
- After showering, swimmers should take their belongings out to the pool deck. A coach or volunteer will direct swimmers where to put their bags.
- Woolwich Swim Team coaches will be organizing swim practices in a way that allows swimmers to maintain physical distancing. Swimmers must follow instructions from coaches and volunteers so that practices can be conducted in a safe manner. Any swimmers not complying with these instructions will be asked to exit the pool.
- At the end of practice, swimmers will collect their belongings and exit the pool through the change rooms.
- No showers are allowed after swimming.
- Swimmers should quickly change into their clothes and exit the change room as quickly as possible.
